AF Gruppen ASA is one of Norway's largest exchange-listed construction companies. The company has 2000 employees in Norway and Sweden, and has a turnover of more than NOK 5 billion in 2006.

AF is divided up into five business areas: property, building, construction, environment and energy. Our ambition is to be the natural choice to solve the most demanding tasks, preferably on the outer fringes of what is possible for a construction company. Our conduct is characterised by professionalism and high ethical standards.
