

AF Bygg Glomsrød AS

AF Bygg Glomsrød does most work involving wood, masonry and concrete. It also takes on bathroom renovation contracts and is active in most parts of the County of Østfold.

AF Bygg Glomsrød was acquired by AF Gruppen in 2005. The company has a long history in Halden, having been founded in 1946 by the six Glomsrød brothers: Harald, Eivind, Arne, Erling, Trygve and Rolf. Their enterprise and expertise resulted in the firm making a name for itself in Halden's business community and setting its stamp on the town's building stock during its 60 years or more of existence.

AF Gruppen ASA is one of Norway's largest exchange-listed construction companies. The company has 2000 employees in Norway and Sweden, and has a turnover of more than NOK 5 billion in 2006.

AF is divided up into five business areas: property, building, construction, environment and energy. Our ambition is to be the natural choice to solve the most demanding tasks, preferably on the outer fringes of what is possible for a construction company. Our conduct is characterised by professionalism and high ethical standards.
