

## AF Byggfornyelse

AF Byggfornyelse is one of the largest players on the renovation, conversion and extension market.

We renovate and restore nursing homes, schools, housing cooperatives, shopping centres and commercial buildings, with one of our specialities being bathroom modernisation in housing cooperatives. With our multidisciplined competence and ability to get the job done, we assist with projects that both we and the clients can be proud of.

AF Gruppen ASA is one of Norway's largest exchange-listed construction companies. The company has 2000 employees in Norway and Sweden, and has a turnover of more than NOK 5 billion in 2006.

AF is divided up into five business areas: property, building, construction, environment and energy. Our ambition is to be the natural choice to solve the most demanding tasks, preferably on the outer fringes of what is possible for a construction company. Our conduct is characterised by professionalism and high ethical standards.
